

# ALL DAY BREAKFAST

# LUNCH

## Surprisingly familiar

We've travelled around the world for our menu, finding tasty, authentic dishes and bringing them back to Bunk where we give them our own surprising twist. While we love meat and fish, most of our dishes are available vegetarian, as well.

Above all, we always work sustainably and with responsibly sourced ingredients, so that your food doesn't just taste good, it feels good too.

## PRE-BOOKED BREAKFAST

pick your breakfast dish + coffee/tea + juice

### BREAKKIE BOWL 9.00
